#### LEGISLATIVE COUNSEL'S DIGEST

SB 1059, Monning. Postsecondary education: Title 38 awards.

Title 38 of the United States Code provides educational awards for eligible active duty members and veterans of the Armed Forces of the United States. Existing law requires an institution headquartered or operating in California desiring to enroll students eligible for federal Title 38 awards in accredited courses to make application for approval of these courses to the California State Approving Agency for Veterans Education, commonly known as CSAAVE, and authorizes CSAAVE to approve the application of the school when the school and its accredited courses satisfy the specified criteria and any additional reasonable criteria established by CSAAVE.

This bill would include as a qualifying institution for federal Title 38 awards, an institution that has been accredited by the Committee of Bar Examiners, if the institution complies with specified disclosure and compliance requirements.

*The people of the State of California do enact as follows:*

SECTION 1. Section 67100 of the Education Code is amended to read: 67100. The Legislature finds and declares the following:

(a) Sections 21.4253 and 21.4254 of Title 38 of the Code of Federal Regulations require a postsecondary educational institution headquartered or operating in California desiring to enroll veterans or persons eligible for Title 38 awards in accredited and nonaccredited institutions and programs to make application for approval of these courses to the California State Approving Agency for Veterans Education, commonly known as CSAAVE, as the state approving agency legally designated pursuant to Section 3671 of Subchapter I of Chapter 36 of Title 38 of the United States Code.

(b) Sections 21.4253 and 21.4254 authorize CSAAVE to approve the application of the accredited and nonaccredited institutions when the school and its accredited and nonaccredited courses satisfy the criteria provided in Sections 21.4253 and 21.4254 and additional reasonable criteria established by CSAAVE.

(c) It is reasonable pursuant to Sections 21.4253 and 21.4254 for CSAAVE to require a postsecondary educational institution, public or private, to obtain accreditation for its degree programs, to comply with all federal and state laws and regulations, and to comply with any additional reasonable criteria established by CSAAVE. It is reasonable pursuant to Sections 21.4253 and 21.4254 for CSAAVE to require a private postsecondary institution to be issued an approval to operate from the Bureau for Private Postsecondary Education.

SEC. 2. Section 67102 of the Education Code is amended to read:

For purposes of this paragraph, “provide” may exclusively include placement of an Internet Web site address labeled as an access point for the data on the passage rates of recent program graduates on the Internet Web site where enrollment information is also located, on an Internet Web site that provides centralized admissions information for postsecondary educational systems with multiple campuses, or on applications for enrollment or other program information distributed to prospective students.

(ii) The institution shall obtain and provide evidence to CSAAVE of accreditation from the accrediting agency with which it had candidacy or preaccreditation status by January 1, 2017, for the institution to be eligible

for Title 38 awards for the academic year of 2017–18, and each academic year thereafter.

(B) If an unaccredited degree-granting institution participating in the Title 38 award program fails to satisfy the accreditation requirements provided in clause (i) of subparagraph (A), a veteran enrolled in a degree program offered by the institution prior to January 1, 2016, shall remain eligible for Title 38 awards through his or her completion of that degree program.
